MaaT Pharma is a clinical-stage biotechnology company and industry leader in microbiome therapies in oncology, leveraging our whole ecosystem restoration approach to develop biotherapies to treat serious diseases.

We are implementing an innovative new medical approach focused on the gut microbiota as a source of drug candidates, leveraging our drug development expertise, our gutPrint® computational biology platform and our biomanufacturing capabilities. Our pipeline consists of several drug candidates, the first of which is now in Phase 3 clinical testing.

We are driven by our pioneering spirit, and we are the first microbiome-derived drug development company listed in continental Europe; we listed on EURONEXT Paris on November 8, 2021.

We have a humanistic approach to our entrepreneurial adventure. Every recruitment is an opportunity to consolidate our rich and diverse human capital, which now exceeds 50 people.

Within the framework of our company's development, our IPO, and following the expansion of the responsibilities of our Chief Financial Officer/Chief Operation Officer, we are looking for a:
